SANTA'S SECRET ABV: 5.9% IBUs: 22 HOPS: Hallertauer

Our winter holiday brew boasts a combination of six different malts working together to produce a rich beer with a soft creamy mouthfeel. Without revealing all of Santa's secrets, we can say that this tasty ale contains a careful blend of coriander, cinnamon, orange and allspice. We think you'll agree – it's the closest thing to Christmas in a glass.

Cheers Y'all!
